District 5040

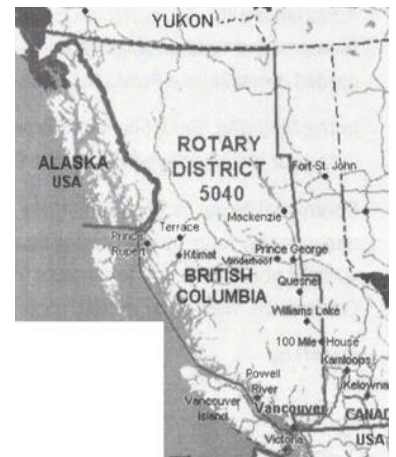

2024
Rotary District 5040 Conference
Planting Seeds of Peace & Hope in Our Communities

February 9, 2024

Rotary District 5040 is bringing Rotarians to Terrace to the District annual Rotary Conference in April 2024. Rotarians from the Lower Mainland, the Sunshine Coast and Sea to Sky, Cariboo and Prince George and the Northwest will experience our northwest hospitality.

Our Conference will engage 200 Rotarians and youth with the inspiration to “Plant Seeds of Peace and Hope”, consistent with Rotary’s theme in 2024 “to Create Hope for the World.”

Mediators Beyond Borders, and indigenous members, will guide participants in facilitated peace conversations. This special partnership with the northwest indigenous communities will expand our relationships, work towards reconciliation and enable Rotarians to experience the culture of indigenous peoples.

The conference will celebrate Rotary’s accomplishments in the world and in our communities.

Hosting this Conference requires sponsors, and we are requesting your support. We appreciate your consideration of this great opportunity to showcase our Region and to work with Rotarians to do Good in the World.

Please contact brian_downie@telus.net or call at (250) 615-7852 to confirm your support for this unique opportunity to support Rotary.

Yours sincerely

Shirley-Pat Gale
District Governor
